Italy Has Declared War Against Turkey

EMPEROR'S FLEET IS RAPIDLY MOVING IN DIRECTION OF TRIPOLI

Home Sept. 29.—It is officially announced here that Italy and Turkey are in a state of war beginning at half past two o'clock on the afternoon of Friday, September 29.

The reason is given that Turkey has failed to meet the demands contained in the Italian ultimatum.

Italy will provide for the safety of Italian and all other foreign ships in Tripoli and Cyrenaica using to this end all the means at her disposal.

The blockade of the entire coast of Tripoli and Cyrenaica will be undertaken immediately and a notification of this act will be sent to all neutral powers.

The Minister of Marine is believed to have sent wireless orders to the Italian fleet off Tripoli to act immediately. The action followed a meeting of the cabinet at 11 o'clock at which it was decided to proceed with the measures variously determined upon.

News that Italy had occupied Tripoli is expected here at this minute.

The Foreign Secretary Sir Edward Grey, returned from the country where he had been visiting and had long and separate conferences with the Italian ambassador, Marquis Di Francavilla and the British ambassador, Tewfik Pasha.

Later the Austria-Hungarian ambassador Count Mensdorff-Pouilly, Dietrichstein, called on the Secretary.

It is understood the Turkish cabinet at last night's meeting amended a second appeal to the power to use their influence to prevent a war. The diplomats here are strong in the belief that any tender of good offices on the part of other countries could not avail to alter Italy's program.

Tripoli Tripoli Sept. 29.—This city threatened with a hostile demonstration was desolate this morning. Nearly all European consuls left tonight. The Arabs have taken solemn oaths of allegiance to the Italian flag.

The Turkish transport Derna has lost 20,000 tons of munitions and 12,000 men in the sea.

These have been taken to the Italian fleet.

MRS. PATTERSON HOLDS TO THE SAME STORY

Denver Colo. Sept. 29.—Miss G. Patterson held her position today in the case of her husband and Charles Patterson, a former Chicago broker, sticks to the story that she told immediately after the shooting, declaring that he had struck her and had changed her gun with the work.

"I have told this and know what I am saying," she declared.

From then until now she has maintained the same story.

Regarding her relations with the man, a millionaire, she said, she was a friend of his, but she admitted that she had been in his office and had been in his office and had been in his office.

Gov. Dix would repeat a law.

Albany N. Y. Sept. 29.—Gov. Dix said a special message to the legislature today recommending the reappointment of the Governor's commission on the subject of the law.

The message was sent to the legislature at 11 o'clock.

Gov. Dix pointed out that Governor Dix can demand of the state a commission on the subject of the law.

It is understood that the action would put an end to boxing.

WIFE WAS ACQUITTED

The wife of a man charged with the murder of General Browder, which began Monday continued until late Monday afternoon when the arguments were completed and the jury charged by the court. The jury retired about four o'clock Wednesday morning when they returned a verdict of not guilty.

There was much interest manifested in the case. There were a large number of witnesses on both sides and therefore much testimony. The defendant pleaded self defense and the testimony tended strongly to establish his plea.

The lawyers representing the state were special solicitor Laurence B. Huggins and Hon. W. F. Parks of Anniston, whom the brethren of defense had employed to assist in the presentation.

The defendant was represented by Attorney J. E. Sanders, Claude R. By and J. A. Canale.

The following gentlemen composed the jury who decided the case: W. C. Smith, G. W. Morrow, W. R. Rowell, T. W. Andrews, B. E. Jacobs, M. C. Rowe, G. C. Hand, T. D. Smith, J. D. Johnson, D. G. Bluff, T. A. Martin and J. L. Young—Elmer Clippert.

HOW TO REMOVE FRECKLES

Wilson's Freckle Cream is Positively Guaranteed to Do the Work

Freckles are constantly being created by the makers of Wilson's Freckle Cream from prominent bad saying that they invent and discover how to remove freckles.

Just because you happen to have freckles is no reason why you should always have them.

Mrs. M. J. Bivens writes from Bern Switzerland saying: "If after giving Wilson's Freckle Cream a fair trial it does not cure your skin there is no remedy for you. I always took the best care of my skin, but freckles gradually and could not get rid of them until I found Wilson's Freckle Cream. On Jan. of Wilson's Freckle Cream will cause your freckles to disappear and the second jar will entirely remove them."

The druggist is instructed to return your money to you if it does not do just what we claim for it.

Try a jar today. You'll be delighted with its fine effect on your skin. If your druggist cannot supply you send 50 cents to the Wilson Freckle Cream Co., Charleston, S. C., and they will send you a full size jar.

STREET CAR MEN STRIKE

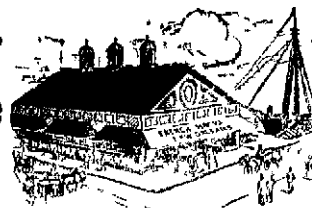

Monterey Mex. Sept. 24. The Monterey street car system is completely tied up today by a strike of employees who claim that they have been forced to pay for damages to cars and have been thrown out of suspension by the arrest of some of their number on charges of stealing tickets.

The men have appealed to the Mayor exhibiting company receipts for money paid for damages and asking him to compel the company to reimburse them.

missionary smiled benevolently on the native tribes around him.

"I will cure them all of cannibalism," he said hopefully. "They have treated me kindly so far, and I am sure I shall convert them all."

After being introduced to their chief he retired to the special hut the tribe had prepared for him where he was shortly afterward joined by a native.

"The king has sent me to dress you for dinner," said the man.

"Ah," smiled the missionary, "how thoughtful of him! You are the royal valet, I suppose?"

"No," replied the native, "I am the royal job."

Genius

Genius is sympathetic insight made perfect, and it must have diversity if it is ever to be effective—must touch on every human experience, must suffer and must also enjoy. Great, therefore, are its compensations. It feels the sorrows of all mankind and is elevated by them, whereas the pain of an individual bereavement is rather acute than prolonged. —Sarah

He entered the superior office in a kind of haughty got-no-business-here sort of manner and quietly asked the man if the superintendent was in.

"I am he," replied the without raising his eyes from desk.

"What do you want?"

"One of your trains killed a few days ago, and I thought would stop in and."

"Well, he had no business trains. You should have killed."

"Yes, I know," meekly replied the caller, "but I didn't and on the track and was killed, thought you ought to."

"But we won't! We don't kill on this road!"
